

The Japan-America Society of Washington DC presents

Potomac Canoe Tour

Summer Intern Sayonara Party

Sunday, August 8, 2010

Join the JASWDC Summer Interns, Cecelia Evans and Nick Woolsey, as they host one last event to end their summer at JASWDC: **a guided canoe tour of the Potomac River!** This will be a great opportunity to say goodbye to our interns as well as get one last chance to pick their brains about improvements to Japan Bowl and Sakura Matsuri. We will gather before the canoe tour for a brown-bag picnic to meet and greet.

The guided canoe tour, held at Jack's Boathouse, is a great way to see a new side of Washington DC. The tour includes beautiful views of monuments, wildlife, islands, and a sunset over the historic boat house on the river. Professional instruction on canoeing is included, the pace is slow, and **no experience is necessary!** It is a perfect opportunity for those who are new to the area to learn more about American history and culture, and a great chance for local members to see familiar sights in a new light.
